MERRIMACK CONSERVATION COMMISSION

Property Inspection

December 12, 2015

9:00 AM

Amherst Parking Lot for Grater Woods

Grater Road, Amherst NH

Conservation Commission will be taking a hike through a portion of Grater Woods and the 4 new parcels purchased in November. The intent is to inspect the properties and establish a potential list of items that may need attention as well as to familiarize the Commissioners on what is present on those parcels. This hike will utilize established trails but may include long distances going through dense brush where no trails exist at this time. Proper dress and hiking boots are recommended. This will be a strenuous hike, likely taking more than a couple of hours. A quorum of the Commission may attend but no motions or decisions will be made during the hike.
