**New Business:**

Dave Trippett reminded the committee of a planned gathering of interested community members and members from the Merrimack River Watershed Committee which will occur on Saturday, September 17<sup>th</sup>. Meet-up will be near the boat launch.

**Old Business:**

1. Master Plan

Tom Martinson said that the plan was moving forward, but there may be technical data that needs to be included that is beyond the knowledge base of the committee to complete. He recommended that in our presentation of the plan to the MCC, we ask for their assistance in solving this problem.

9.13.22

Alison Mitchell displayed a word processed document of the Master Plan on the pull-down screen. In a line-by-line progression, the committee went through the documents and recommended changes, additions, and deletions. These changes were made in real time, while deletions and corrections were preserved for future consideration.

Alison will email the updated plan to Tom Martinson, who will then provide editorial input. At the next committee meeting, we will review the document once again. What comes out of that meeting will be the version that will be presented to the MCC.

**Committee Member Comments:**

Dave Trippet said that he would be at the Sklar property at 9:00 am Saturday to stain to picnic tables and anyone who wants to help would be welcome.

Katie Little said that she has contacted numerous sources to help with drawing trail maps but so far has been unsuccessful in her search. She will continue to reach out to other sources for help.
