**** PRESS RELEASE ****

Town of Merrimack Highway Safety Committee

Chief Mark E. Doyle-Chairman

30 March 2015

The Town of Merrimack Highway Safety Committee is doing a little research on the feasibility of requesting the New Hampshire Department of Transportation (NHDOT) to install "rumble strips" on the exit #13 NB off-ramp from the Everett Turnpike before the merge with southbound off ramp traffic, prior to the DW Highway Intersection in Bedford. The Highway Safety Committee recognized a safety hazard exists with the merging traffic and agreed that this would slow motorists prior to the merge. There is, however, a noise concern associated with "rumble strips" and the NHDOT has asked us to solicit some feedback regarding this suggestion.

Feel free to send an email to crioux@merrimacknh.gov with your feedback-we appreciate your input.
