The town and the union agree not to discriminate against a member of the unit because of race, creed, color, sex, age, religion, national origin, handicap, or membership or non-membership in the union.

# **ARTICLE VI: STRIKES AND LOCKOUTS**

Under no circumstances will the union cause, encourage, sponsor or participate in any strike, sit-down, stay-in, stay-out, sick-in, sick-out, work slowdown, withholding of services or any curtailment of work or restriction or interference with the operations of the department during the term of this agreement.

# **ARTICLE VII: MANAGEMENT RIGHTS**

1. The parties agree that all of the rights and responsibilities of the town which have not been specifically provided for in this agreement are retained in the sole discretion of the town whose right to determine and structure the goals, purposes, functions, and policies of the town without prior negotiation with the union and without being subject to the grievance and arbitration procedures of this agreement shall include but not be limited to the following:
  - a. The right to direct employees; to determine qualifications, promotional criteria, hiring criteria, standards for work, and to hire, promote, transfer, assign, retain employees in positions; and to suspend, demote, discharge or take other disciplinary actions against an employee for proper and just cause, subject to the other provisions of this agreement, including grievance and arbitration;
  - b. The right to relieve an employee from duty because of lack of work or other legitimate reasons;
  - c. The right to take such action as in its judgment it deems necessary to maintain the efficiency of department operations;
  - d. The right to determine the means, methods, budgetary, and financial procedures, and personnel by which the departmental operations are to be conducted;
  - e. The right to take such actions as may be necessary to carry out the missions of the departments in case of emergencies;
  - f. The right to make rules, regulations, and policies not inconsistent with the provisions of this agreement and to require compliance therewith; and
  - g. The right to subcontract.
2. The exercise of the management rights and responsibilities of the town set forth hereby, except discipline and discharge, shall not be subject to the grievance procedures set forth in this agreement; grievances alleging a failure to comply with such procedure will be subject to grievance Article XIII of this agreement, except that where a management right is specifically required to be exercised in accordance with a specific procedure as provided in this

agreement, grievances alleging a failure to comply with such procedure will be subject to grievance Article XIII of this agreement.

3. It shall also be the right of the union, however, to present and process grievances of its members whose wages, hours, or working conditions are changed in violation of this agreement.

## **ARTICLE VIII: CONSULTATION**

1. Representatives of the union may meet with the department head or a designee once each month to discuss matters of mutual concern, including those matters necessary to the implementation of this agreement. A written agenda shall be submitted by the Union to the department head or the designee no less than five days before the scheduled date of the meeting. At the discretion of the department head or the designee, additional matters for discussion may be placed on the agenda. When such is the case the union will be given five days to consider the matter prior to its discussion. Nothing contained herein shall prevent the department head or the designee and the union from meeting on a more or less frequent basis upon mutual agreement.
2. Nothing contained herein shall prevent the union from consulting with the department head or the designee at any time, if matters of mutual concern arise of an urgent or emergency nature. However, grievances must be submitted in accordance with the procedure contained in this agreement.

## **ARTICLE IX: UNION BUSINESS**

1. The union officers and representatives shall be President, Vice President, Secretary/Treasurer, Stewards (2).
2. The union shall advise the town of the names of the employees holding the above union offices within thirty days after election.
3. Union officers as described above shall be permitted to process grievances and exercise the Consultation Article during their scheduled hours of duty, provided they have prior permission from the department head or a designee and the amount of time in which employees are engaged in such activities is reasonable.
4. An effort will be made to schedule at least half of the negotiating sessions at a time which does not conflict with the scheduled duty of employees who are members of the union collective bargaining team. In the event that employees, not to exceed two in number who are members of the union's

negotiating team, are scheduled for duty at a time during which a collective bargaining meeting will be held, said employee will be permitted to participate in negotiations without loss of pay.

5. Employees elected as delegates to the AFSCME International Convention, N. H. Public Employees Convention, Council #93 or the N. H. State Labor Council Convention, shall be allowed time off with pay to attend these conventions. The union is restricted to a total absence of three working days per calendar year, travel time included, but may select which of the above conventions and the number of employees among which to distribute the three days. Approval will be granted upon written petition by the union which specifies names, dates, and conventions to be attended.

## **ARTICLE X: DUES DEDUCTION**

1. The town agrees to withhold dues from the members of the union weekly and submit a check along with a list of employees who paid said dues and in what amount, at least once each month, to the treasurer of AFSCME, Local #2986.
2. The union shall submit authorization forms to the town Treasurer for each member who requests payroll deduction of dues.
3. No weekly deductions will be made whenever the employee's weekly pay is an insufficient amount to cover the deduction. In no case will the town attempt to collect fines or assessments for the union beyond the regular dues.

## **ARTICLE XI: MAINTENANCE OF MEMBERSHIP**

1. Members of the bargaining unit who, on the effective date of this agreement are members of the union, and employees who become members of the bargaining unit and the union after that date, shall continue their memberships in the union during the duration of this agreement provided, however, that employees may at their discretion and in writing, withdraw their memberships from the union any time within the period between 120 days and 60 days prior to the expiration date of the agreement.
2. Should there be a dispute between an employee and the union over the matter of an employee's union membership, the union agrees to hold the town harmless in any such dispute.

3. The union shall post notices on departmental bulletin boards 120 calendar days prior to the expiration date of the agreement advising employees of their right to terminate payment of dues and union membership.

## **ARTICLE XII: DISCIPLINE AND TERMINATION FOR CAUSE**

1. All discipline shall be for just cause and shall be appropriate to the infraction for which the disciplinary action is being taken.
2. Disciplinary action will normally be taken in the following order; however, the sequence need not be followed if an infraction is sufficiently serious to merit a greater disciplinary action.
  - a) verbal warning
  - b) written warning
  - c) suspension without pay
  - d) discharge
3. All warnings, suspensions, and discharge notices shall be in written form and identify the reason for the action and shall be signed by the employee as an acknowledgment of the action only. The employee will receive a copy of such warnings and notices, and the union shall be informed within five working days that the employee has received disciplinary action. Upon written request of the disciplined employee to the Town Manager or a designee, the union shall be provided a complete copy of the disciplinary action.
4. Employees may examine their own individual personnel files at reasonable times under the direct supervision of the employer.
5. In determining the appropriate disciplinary action to take against an employee, the Town may consider any prior infraction(s) that resulted in a suspension, with or without pay, for the period of four years from the date discipline is imposed. Further, the Town may consider prior infraction(s) that resulted in a written warning for up to two years from the date discipline was imposed. Verbal warnings will be removed, at the request of the employee, after one year.

# **ARTICLE XIII: GRIEVANCE**

## **PROCEDURE**

### **1. Definition**

- a. A grievance under this article is defined as an alleged violation of any provision of this agreement except Article VII (Management Rights) in which an individual grievant alleges a personal loss or injury.
- b. NOTE: Employees who have a "complaint" may take up the complaint with their immediate supervisors verbally before they can process the complaint as a formal grievance. Immediate supervisors shall give their answers within five (5) work days. It is anticipated that nearly all complaints can be resolved informally without grievance. Each grievance must be submitted in writing by the union and must contain a statement of the facts surrounding the grievance, the provision(s) of this agreement allegedly violated and the relief requested.

### **2. Procedure**

- a. Step One: An employee, or the union on behalf of an employee, desiring to process a grievance must file a written statement of the grievance to the department head or the designee no later than fifteen (15) work days after the employee knew, or should have known, the facts on which the grievance is based. The department head or the designee shall meet with the employee and the union representative within eight (8) work days following receipt of the notice and shall give a written decision within eight (8) work days thereafter.
- b. Step Two: If the employee or the union on behalf of an employee is not satisfied with the decision of the Step One Hearing Officer, they may file, within ten (10) work days following the department's decision, a written appeal to the town manager or a designee, setting forth specific reasons why the employee or the union believes the agreement is being violated by the town action in question. Within ten (10) work days following receipt of the appeal, the town manager or the designee shall either issue a written decision or schedule a hearing. Said hearing shall be held no later than twenty (20) work days following receipt of the appeal and written decision shall be rendered within ten (10) work days thereafter.
- c. If the union is not satisfied within the disposition of the grievance or no decision has been rendered by the town manager within fifteen (15) working days after the town manager received the grievance and prior to submission of the grievance to arbitration, representatives of the union and management may, by mutual consent, meet to determine if the grievance can be settled without arbitration.

- d. Step Three: When a Step Two ruling has been issued by the Town Manager or the designee, a grievant, or the union on behalf of a grievant, may choose to request a review by the Board of Selectmen prior to submitting the matter to arbitration at Step Four. If this option is to be exercised, the Town Manager or the designee shall be notified within the five working days following the grievant's receipt of the Step Two decision. Upon such notification, a copy of the Step Two ruling (including all exhibits and the Step One decision) will be provided to the Board of Selectmen. The Board of Selectmen shall have three weeks from the date of receipt of the Step Two ruling to review the documents. The Board may decide to either allow the Step Two ruling to stand without comment, or to schedule a hearing to determine if they will modify the Step Two decision. Should the Board schedule a hearing, it will be held as expeditiously as possible, and the Board's decision shall be issued within two (2) weeks after the hearing has been completed. Upon expiration of the three week review period, or, if a hearing was scheduled, upon receipt of the Board of Selectmen's decision, the grievant, or the union on behalf of the grievant, may within twenty working days elect to request arbitration by the American Arbitration Association or, by mutual agreement, the Public Employees Labor Relations Board. This review step by the Board of Selectmen may be terminated at any time by the Board of Selectmen. In the event of such termination, the Step Two rulings may be appealed directly to the American Arbitration Association or, by mutual agreement, the Public Employees Labor Relations Board, within the time period specified in Step Four..
- e. Step Four: If the employee or the union on behalf of an employee is not satisfied with the decisions of the town at Step Two and/or Step Three, the union may file, within fifteen (15) work days following receipt of the last decision, a request for arbitration to the American Arbitration Association or, by mutual agreement, the Public Employees Labor Relations Board, under its rules and regulations. The decision of the arbitrator shall be final and binding on the parties.
3. The cost of the arbitration shall be borne by the losing party. It shall be incumbent upon the arbitrator to specify the party designated as the losing party to facilitate payment of arbitration costs.
  4. The foregoing time limitations may be extended by mutual written agreement of the parties.
  5. Failure of the grievant to abide by the time limits set out in this article shall result in the grievance being deemed settled on the basis of the last decision made by the appropriate hearing officer on behalf of the town.
  6. The town shall not designate a hearing officer at any step of the grievance procedure who has heard the grievance at a prior step.

# **ARTICLE XIV: HOURS OF WORK AND OVERTIME**

## **1. Normal Work Schedules**

- (1) The normal work schedule shall be forty hours per week at times operationally required by the requirements of the job.

## **2. Work Day and Work Week**

- (1) The workday is defined as 12:01 a.m. until 12:00 midnight. The workweek is defined as 12:01 a.m. Sunday until 12:00 midnight on the subsequent Saturday.

## **3. Overtime**

- a. All hours actually worked in excess of eight hours in a day or forty hours in a work week and any work outside of the employee's regularly scheduled work hours shall be paid at the overtime premium of 1.5 times the employee's base hourly rate. All overtime assignment/performance shall be in accordance with the provisions of the Overtime Policy of the Town of Merrimack Department of Public Works.
  - b. Employees who work more than sixty hours in a work week shall be paid overtime at the rate of two times their base hourly rates for each hour worked beyond sixty. The following criteria shall be met to receive this rate:
    - (1) All hours actually worked shall be included in the total. "Hours actually worked" shall include eight hours for each paid holiday and a maximum of 8 hours "pay for rest" in any one week. Any hours over eight (8) paid for rest in a single work week shall not be counted toward the computation of double time. For the purpose of calculating eligibility for the double time rate, all other paid absences shall be excluded from the total hours actually worked in a work week.
    - (2) All hours actually worked in an overtime status shall be included. Callbacks paid as three hours shall be counted as three hours.
    - (3) When the total of (1) and (2) above reaches sixty hours worked in a work week, the double time rate shall be paid for the sixty-first hour worked and each additional hour worked.
4. General or universal changes in the hours of work (shifts) in excess of a change of one hour will be negotiated with the union prior to change; if a change of one hour or less is made, a one-week notice will be provided to all affected employees.

5. Employees who have completed their normal shifts and are called back to work for overtime shall be compensated at time and one-half for a minimum of three hours. Persons who have left their place of employment and who are recalled to work prior to the next normal shift will be paid for a minimum of three hours at the rate of time and one-half provided, further, that employees who are called back for overtime or emergency work and who complete the required task and return to their residences within the three-hour minimum guarantee may be called back for additional emergency or overtime without an additional three hours minimum work guarantee. It is the purpose and intent of this section to assure an employee of at least three hours of pay at overtime rates for the inconvenience of being called back to work between the normal shifts, but not to be separately paid for several call-backs within the three-hour minimum guarantee period. "Persons who have left their place of employment" are defined as those who have punched out on the time clock prior to having been asked to work overtime.
6. There shall be no interrupting of normal schedule to avoid payment of overtime.
7. A ten-minute break will be provided during both the morning and afternoon normally scheduled work periods.
8. The normal work day is eight consecutive hours of work. Employees are allowed to eat their lunch during these working hours without loss of pay.
9. Employees shall not be required to work overtime in a division outside of the one in which they perform their normal job duties.

**10. Differential Pay**

- a. Employees regularly scheduled to work on Saturdays and/or Sundays shall receive an additional fifty cents per hour for such work actually performed.
  - b. Employees required to operate snow removal vehicles equipped with wing plows shall be paid an additional \$1.00 per hour while operating said equipment during snow plowing only.
- 11.** If employees are scheduled to work a regularly scheduled shift but, in the opinion of management, are unable to do so because of fatigue due to an extended tour of duty, employees may be instructed to use sleeping accommodations provided on the department's grounds or be asked to return home for rest and recuperation. If so instructed, employees will receive their regularly scheduled straight-time pay for the shift. To qualify to be paid for the remainder of the shift, employees shall remain available for immediate recall to work until the start of their next regular shift or for twenty-four hours, whichever is shorter.
- 12. Wastewater On-Call.** An employee will be paid one hour at 2.0 times their base hourly rate for each 24-hour period that the employee is required to wear

a pager. Employees wearing a pager are expected to respond to alarms at the wastewater treatment facility and respond either by way of electronic (laptop) means or in person if the alarm shall so warrant. Members of the union interested in the overtime shall be pre-qualified by the administration. Employees wishing to be removed from the on-call list must give 30 days notice. Employees that cannot fill a scheduled on-call shift must make arrangement with other qualified employees to swap shifts. Failure to act responsibly may be grounds for the employee's name from being permanently removed from the list. This provision shall become effective upon ratification by the voters and the parties agree to execute a side bar agreement to that effect. The 2.0 times base stipend is in addition to any overtime applicable to responding to the page. If there are not sufficient volunteers the Town may not mandate unit employees to fill shifts.

## **ARTICLE XV: SENIORITY**

1. There shall be two types of seniority:
  - a. Department Seniority: Department seniority shall relate to the time an employee has been continuously employed by any of the town departments represented by this agreement.
  - b. Classification Seniority: Classification seniority shall relate to length of time an employee has been employed in a particular classification.
2. Classification seniority in the classification involved shall prevail in matters concerning layoffs. Qualified and available former regular employees shall be reinstated before new employees are hired following a layoff. This preference shall expire after one year.
3. No employee shall have the right of replacing another employee in any classification by virtue of department seniority alone, except that in the event of a permanent lack of work in any classification, those employees affected in that classification shall be assigned, when operationally possible, to the next lower classification for which they are qualified. Absolute "bumping rights" are not to be assumed by the foregoing.
4. Upon receiving a promotion, the promoted employees' names shall be entered at the bottom of that particular classification seniority list to which they have been promoted, regardless of their department seniority, and they shall be considered to be the junior or least senior employee in that classification, regardless of the department seniority of other employees already in that job, until such time as other promotions/hirings are made into this classification. New promotions/hirings shall be entered at the bottom of that particular classification seniority list concerned. If promoted employees do not pass their new positions' probationary periods or if they are unsatisfied with the position within 30 days after the assignment, then they shall be returned to

their old classifications at the earliest date that is operationally possible and regain their former classification and associated seniority.

5. Until new employees have served the initial six-month probationary period, it shall be deemed that they have no seniority status, and they may be discharged or laid off with or without cause, and such discharge or layoff shall not be subject to the grievance procedure.
6. Employees shall not forfeit seniority during absences caused by:
  - a. Illness resulting in total temporary disability due to their regular work with the town, certified to by an affidavit from the worker's compensation carrier.
  - b. Illness resulting in total temporary disability, certified to by a physician's affidavit.
7. Employees shall lose their seniority for, but not limited to, the following reasons:
  - a. discharge for just cause
  - b. resignation.
8. The employee's present classification seniority as of the effective date of this contract, shall be the only type of seniority considered for the purpose of establishing the classification seniority system called for in this article. This classification seniority must have been continuous in nature to merit consideration under this section. The preparation and maintenance of the classification seniority roster shall be the responsibility of the department head.

## **ARTICLE XVI: WORK REDUCTION OR LAYOFFS**

1. If there is a layoff or any reduction in the work force, the person with the least seniority in the affected classification within the affected division will be laid off first. These laid-off employees will be recalled in the reverse order of layoff. The person with the most seniority will be hired back first.
2. All employees who have been laid off will be kept on a re-employment list for a minimum of one year.

## **ARTICLE XVII: JOB POSTING**

1. All permanent opportunities within the unit must be posted for one week and a copy of the posting sent to the union.
2. Job posting shall include job specifications, rate of pay, job location (by division) and the shift.
3. Current bargaining unit employees shall be given an opportunity to apply for all vacant and/or newly-created positions.

## **ARTICLE XVIII: SALARIES**

1. Effective the first full pay period in July 2006, all members of the bargaining unit will receive a pay increase equal to the amounts set forth in Appendix A – Pay Table.
2. When experience possessed by a newly-employed unit member is in excess of that required for the job, that employee may be started at a step up to Step 3 (1-3 Yrs.) in recognition of the prior experience.
3. Any employee who is promoted into a higher classification shall be placed on the lowest step which reflects an increase in the hourly rate of pay for that individual. This right may be waived upon agreement between the president of Local #2986 and the town. A promoted individual shall serve six months on performance probation, during which time unsatisfactory performance may be cause for demotion to the formerly held position or its equivalent. Upon successful completion of the probationary period, the employee shall be moved to the next higher step on the salary schedule.
4. Movement between steps shall be based upon the satisfactory performance of the employee. The performance evaluation dated closest to the anniversary date for the step increase shall be used to make the judgment. A performance evaluation which generally rates the employee's overall performance as "Excellence" or "Success" justifies a step increase. An evaluation which generally indicates that the employee's overall performance needs improvement may, at management's discretion, justify denying a step increase. Improvement in performance may make the employee eligible for the increase at a later date.
5. Whenever a step increase has been approved, it will become effective on a Sunday for payroll purposes. If the anniversary date falls on Monday, Tuesday, or Wednesday, the preceding Sunday shall be the effective date of the raise. If the anniversary date falls on a Thursday, Friday, or Saturday, the following Sunday shall be the effective date.
6. When employees assume the duties and responsibilities of a higher classification, they shall receive either the minimum of the range for such classification or an increase of five percent per hour, whichever is greater, for each full hour worked, including break periods, in that classification except

when employees are on overtime or emergency work assignment occurring during non-regularly scheduled work hours.

## **ARTICLE XIX: SUPPLEMENTAL COMPENSATION (BENEFITS)**

### **1. Health Insurance**

a. Employees shall be eligible for participation in the current Healthsource HMO health insurance plan or, at the Town's option, in another HMO plan or an indemnity plan that provides significantly comparable coverage and Employee out-of-pocket costs. The Blue Cross Comp 100 and Matthew Thornton HMO plans previously offered to all Town employees, as well as Blue Cross' Blue Choice plan, shall be acceptable alternatives to the Union should the Town choose to select one; however, the Town shall have the right to obtain Employee health insurance coverage from any insurance carrier or to self-insure for any portion of said coverage after consultation with the Union.

b. For full-time employees hired prior to July 1, 2006, the Town shall pay 90% primary plan HMO of the health insurance premiums relating to an Employee's coverage and 90% of the premiums relating to the Employee's spouse and dependent children, provided however, that the employee's total contribution for the HMO plan in any given fiscal year shall not exceed:

1. For the contract year 7/1/06-6/30/07; 1% of the employee's base yearly salary/wage.

2. For the contract year 7/1/07-6/30/08; 1 1/2% of the employee's base yearly salary/wage.

3. For the contract years 7/1/08-6/30/10; 2% of the employee's base yearly salary/wage.

c. Full-time employees hired on or after July 1, 2006, shall be eligible for group health insurance on the first day of the month following completion of thirty days of continuous service. The Town shall pay 90% primary plan HMO of the health insurance premiums relating to an Employee's coverage and 90% of the premiums relating to the Employee's spouse and dependent children.

- d. The Town agrees to establish a 125 Plan for the pre-tax withholding of employee's contributions to health insurance and other qualifying expenses.

**2. Dental Insurance**

- a. Employees shall be eligible for participation in the current town's dental insurance plan or, at the Town's option, in another plan that provides significantly comparable coverage and Employee out-of-pocket costs. The Town shall have the right to obtain Employee dental insurance coverage from any insurance carrier or to self-insure for any portion of said coverage.
- b. The Town shall pay 100% of the dental insurance premiums relating to an Employee's coverage and 100% of the premiums relating to his spouse and dependent children.

**3. Life Insurance**

- a. Employees shall receive the following term life insurance coverage, and the Town shall pay 100% of the related premiums.

Employee life	\$10,000
Employee accidental death and dismemberment	\$10,000
Spouse life	\$1,000
Child life - under 6 months	\$100
Child life - 6 months and older	\$500

- b. The supplemental life insurance program that is currently available for Employee participation at their own expense shall continue to be offered solely at the Town's option.

**4. Disability Insurance**

- a. Employees shall receive short-term disability insurance coverage providing a weekly benefit equal to the lesser of 70% of their base weekly wages or \$600.00 per week for a 26-week period. This benefit shall be payable from the first day of a covered accident or the eighth day of a covered illness.
- b. The Town shall pay 100% of the related premiums.
- c. During a covered absence, an Employee may elect to receive 100% of his or her base weekly wage from the Town and to have such payments charged against his or her accrued sick leave balance until exhausted and then, if necessary, against his or her accrued vacation balance. Town payments shall be discontinued when both accrued leave balances have been exhausted. All disability benefit checks from the insurance carrier, that relate to the period for which such payments are made by the Town,

shall be endorsed to the Town and credited to the Employee's accrued leave balances.

- d. An Employee that becomes eligible for a weekly disability benefit must apply for that benefit.
- e. The Town and/or its disability insurance carrier shall have the right to request updates of medical information during a covered absence and to designate a physician for a related medical examination, for which the Town shall pay the cost.
- f. Any covered absence must be supported by a physician's statement that outlines the nature of the Employee's disability and that provides an estimated date for the Employee's return to full duty. Immediately upon an Employee's return to duty from a covered absence, he shall provide to the Town a physician's statement certifying as to the Employee's fitness for duty.
- g. During a covered absence, no Employee shall engage in any form of employment.

## **5. Worker's Compensation**

- a. Employees shall receive workers compensation insurance coverage as prescribed by, and to the extent required by, the laws of the State of New Hampshire.
- b. The Town shall pay 100% of the related premiums.
- c. During a covered absence, an Employee may elect to receive 100% of his or her base weekly wage from the Town and to have such payments charged against his or her accrued sick leave balance until exhausted and then, if necessary, against his or her accrued vacation balance. Town payments shall be discontinued when both accrued leave balances have been exhausted. All workers compensation benefit checks from the insurance carrier, that relate to the period for which such payments are made by the Town, shall be endorsed to the Town and credited to the Employee's accrued leave balances.
- d. An Employee that becomes eligible for a workers compensation benefit must apply for that benefit.
- e. The Town and/or its workers compensation insurance carrier shall have the right to request updates of medical information during a covered absence and to designate a physician for a related medical examination, for which the Town shall pay the cost.
- f. Any covered absence must be supported by a physician's statement that outlines the nature of the Employee's disability and that provides an estimated date for the Employee's return to full duty. Immediately upon an Employee's return to duty from a covered absence, he shall provide to

the Town a physician's statement certifying as to the Employee's fitness for duty.
