About the Original & World Famous Boston Duck Tours

You've never toured Boston in anything that comes close to Boston Duck Tours. The fun begins as soon as you board your "DUCK", a W.W.II style amphibious landing vehicle. First, you'll be greeted by one of our legendary tour ConDUCKtors, who'll be narrating your tour. Then you're off on a journey like you've never had before. You'll cruise by all the places that make Boston the birthplace of freedom and a city of firsts, from the golden-domed State House to Bunker Hill and the TD Banknorth Garden, Boston Common and Copley Square to the Big Dig, Government Center to fashionable Newbury Street, Quincy Market to the Prudential Tower, and more. And, as the best of Boston unfolds before your eyes, your ConDUCKtor will be giving you lots of little known facts and interesting insights about our unique and wonderful city.

And just when you think you've seen it all, there's more. It's time for "Splashdown" as your ConDUCKtor splashes your DUCK right into the Charles River for a breathtaking view of the Boston and Cambridge skylines, the kind of view you just won't get anywhere else.

So take the ride of your life. Hop on a Boston Duck Tour! Quack Quack!

THE BEACH BOYS

Still Surfin'

Remember the Hits:

"Surfer", "I Get Around", "Good Vibrations", "Surfer Girl", "Barbara Ann", "California Girls", "Sloop John B", "Little Deuce Coupe", "Help Me Rhonda", "Fun, Fun, Fun" and so many more!

Brothers Brian, Dennis and Carl Wilson, their cousin Mike Love, and friend Al Jardine hit the charts with their first big hit and ingrained their group The Beach Boys as an American icon. The Beach Boys constructed the most intricate, gorgeous harmonies ever heard from a pop band. With Brian's studio proficiency growing by leaps and bounds during the mid-'60s, the Beach Boys also proved one of the best-produced groups of the '60s. Through the '60s the Beatles and Beach Boys battled it out for the top of the charts. The group amassed over eighty songs that hit the music charts worldwide, thirty-six of them United States Top 40 hits (the most by an American band), four reaching number-one on the Billboard Hot 100 chart. The Beach Boys have sold in excess of 100 million records worldwide, making them one of the world's best-selling bands of all time and are listed at number 12 on the "100 Greatest Artists of All Time". Best of Times celebrates "America's Band" with the ultimate Beach Boys tribute show featuring Still Surfin'. Still Surfin' has been performing the greatest hits of the Beach Boys for over 14 years. Their performances are as true to form as the originals in concert, so much so you just might forget this is a tribute show.

Best of Times is proud to bring to our stage the award winning play *Late Nite Catechism*. Late Nite Catechism is an uproariously funny play that takes the audience back to their youth. The irrepressible Sister teaches class to a roomful of "students." Throughout the course of the class the benevolent instructor rewards the "students" for correct answers with glow-in-the-dark roses and other nifty prizes. Naughty students may well find themselves on stage sitting in a corner reflecting their actions. However, even the most reluctant "students" will be clamoring to get into this Sister's class.

The Bobby Darling

Enjoy a great day out with what Maine is best known for, its lobster, combined with one of the funniest, zaniest shows of the season. Touted as The Northeast's most hilarious musical comedy duo, Bobby Darling and Dr. Devine bring their incredible show to our Best of Times stage. If you are a fan of the Smother's Brothers you will love this show. Bobby Darling (guitar, keyboards, vocals) is an accomplished filmmaker in addition to his musical and comedic talents. While he has enjoyed a successful career as a musician, he advises young people considering a musical career, "Stay in school! And don't marry a divorce lawyer." Dr. Devine (vocals, violin, guitar, flute, keyboards) began his musical career as a trumpet prodigy but

branched out to guitar, violin, and woodwinds during his teen years, ultimately obtaining a Bachelor of Music degree. His compositions and performances have been heard on Nickelodeon, PBS, and, well... the Weather Channel. Not only are Bobby Darling and Dr. Devine two incredibly talented musicians their uncanny wit and humor will have you in stitches. Enjoy some of their greatest hits such as: Black Magic Marker, Barney Must Die, Andy Was The Sheriff, The Girl With Emphysema, I Think Alone, We Didn't Start The Day, The Longest Line, Gumbo, Route 2, Bohemian Rhapsody Polka, The Brady Bill, Mama Don't Let Your Babies...
