

## MECHANIC II

The Town of Merrimack is accepting applications for the full-time position of **Mechanic II** for Public Works Department – Equipment Maintenance Division. Employee performs highly skilled tasks at master level in the maintenance and repair of automobiles, police cruisers, heavy-duty trucks, fire equipment, heavy construction equipment, emergency vehicles, tractors, and small engines.

Applicants must hold a HS diploma or equivalent and three years of progressive experience as a mechanic or equivalent experience. A valid commercial drivers license (CDL-B with Air Brake and Tank Endorsement) is required. Additional details and requirements can be viewed in the job description at [www.merrimacknh.gov/positionopenings](http://www.merrimacknh.gov/positionopenings).

The successful candidate will undergo a complete background check including reference checks, criminal and driving record checks, and pre-employment drug testing prior to final offer of employment.

Work schedule is Monday through Friday, 7am to 3pm, but must be available to work overtime hours and be available for emergency call-in, especially during the winter months. Starting wage range is \$19.64 - 20.51/hr. Benefits include health and dental insurance, employer paid short-term disability insurance and life insurance, participation in the NH Retirement System, as well as, sick, vacation, and personal leave.

To apply, submit a Town Application and Additional Public Works Pre-Employment Questions form (available on website and HR Office) to: Sharon Marunicz, Town of Merrimack, 6 Baboosic Lake Road, Merrimack, NH 03054 by 4:00 pm Friday, October 23, 2015. No email please. EOE
