TOWN OF MERRIMACK NEW HAMPSHIRE  
TOWN COUNCIL

**PROCLAMATION**

Whereas, public works services provided in our community are an integral part of our citizen's everyday lives; and

Whereas, the support of an understanding and informed citizenry is vital to efficient operation of public works systems and programs such as wastewater collection and treatment, street and bridges, buildings and grounds; transfer station/recycling; equipment maintenance; park and cemetery maintenance; and engineering.

Whereas, the health, safety and comfort of this community greatly depends on these facilities and services; and

Whereas, the quality and effectiveness of these facilities, as well as their planning, design, construction, is vitally dependent upon the efforts and skill of public works officials; and

Whereas, the efficiency of the qualified and dedicated personnel who staff public works departments is materially influenced by the people's attitude and understanding of the importance of the work they perform,

Now, therefore, We, Town Council of the Town of Merrimack, do hereby proclaim the week of May 15 – 21, 2016 as

**"National Public Works Week"**

in the Town of Merrimack, and we call upon all citizens and civic organizations to acquaint themselves with the issues involved in providing our public works and to recognize the contributions which public works officials make every day to our health, safety, comfort, and quality of life.
