**NHDES to Hold Bedford Public Information Meeting on
Perfluorochemicals in Drinking Water**

Meeting Date: Thursday, June 2, 2016

Concord, NH - The New Hampshire Department of Environmental Services, in coordination with the Town of Bedford, invite the public to a Public Information Meeting related to the ongoing investigation of the presence of perfluorooctanoic acid (PFOA) in drinking water in southern New Hampshire.

Meeting Information:

Thursday, June 2, 2016, 6:30 p.m.
McKelvie Intermediate School
108 Liberty Hill Road
Bedford, NH 03110

For information related to the investigation please refer to the following website: <http://des.nh.gov/organization/commissioner/pfoa.htm>
