Assistant Fire Chief
Brian L. Borneman

Advantage Insurance a local business here in town approached Merrimack Fire Rescue to a Merrimack Chamber of Commerce event that they would be hosting. They wanted us to present a fire and safety lecture during the event. We routinely are approached by organizations and groups looking for safety education. We do facilitate as much as we can throughout the year.

This particular class was held on June 29th and was open to the public. Fire Marshal Manuele, Assistant Chief Borneman and the on duty crew from station 1 presented the class. Several topics were discussed including grilling safety, escape plans, importance of smoke and CO alarms as well as information about child safety seats. There was approximately 30 members of the community in attendance and it was well received and productive.

Advantage Insurance submitted the class to Safeco Insurance "Protecting What Matters" Grant initiative as a qualifying class under their program guidelines.

Safeco Insurance "Protecting What Matters" Initiative is a program they have where they will support and donate to either a local red cross or fire department for the purpose of public outreach programs and safety education.

Safeco Insurance is prepared to donate \$2000.00 to the Merrimack Fire Department on behalf of their local agent Advantage Insurance.

We ask that the council accept the donation to Merrimack Fire Rescue and ear mark it for public fire and safety education and community outreach.
