MERRIMACK, NH

AMHERST ROAD RE-OPENING

July 14, 2017

4:00 PM

The Town of Merrimack Public Works Department would like to **Thank** the residents for their patience and understanding during the recent 3 week closure of Amherst Road at the Naticook Brook crossing. The culvert has been replaced and the road has been repaired.

The Town of Merrimack Public Works Department would like to especially thank the contractor C.S.S.I. who rearranged their schedule to perform all of the work necessary to have the road opened within a three week time frame.

The remaining installation of the Guardrail will be completed in the afternoon. After the installation is complete the road will be re-opened for traffic by 4 PM.
