MERRIMACK, NH

CULVERT REPLACEMENT

**DANIEL WEBSTER DRIVE &
DANIEL WEBSTER HIGHWAY**

**Beginning
SEPTEMBER 8, 2017
7:00 AM**

The Naticook Brook culvert under Daniel Webster Highway and Daniel Webster Drive is scheduled to be replaced as a result of the failing concrete conditions. The work may take up to a total of 8 weeks to be accomplished. The road will remain open at all times but delays could occur within the work area. Traffic lane changes are to be expected during the project.
