**DANIEL WEBSTER HIGHWAY  
TRAFFIC PATTERN CHANGE**

**Beginning  
OCTOBER 13, 2017**

The Naticook Brook Culvert Replacement Project on Daniel Webster Highway is proceeding into Phase II. Daniel Webster Highway corridor traffic, both north and south bound lanes, will be shifted over to use Daniel Webster Drive. Officers will be on duty to assist motorists during the shift. Traffic will be slowed to 25 MPH. The lane shift is expected to remain in place for several weeks.
