O’GARA ICE RINK OPEN FOR THE SEASON

Merrimack, NH – The ice rink located behind the tennis courts on O’Gara Drive is now open for the season. With the recent rollercoaster of highs and lows in temperature, we have finally been able to open the ice rink to the public, as weather permits, seven days a week from sunrise until 10:00pm with lights on from 4:30pm to 10:00pm.

A group of dedicated volunteers will groom the ice on Monday, Wednesday, and Friday evenings. On these evenings, the rink will be closed to skaters at 8:30pm.

Current conditions will be posted on both the Merrimack Parks & Recreation and Merrimack Department of Public Works’ Facebook pages. Please call the Merrimack Parks & Recreation Department at 603-882-1046 or the Merrimack Department of Public Works at 603-423-8551 with any questions.

Thank you and have a safe and fun time skating this winter!
