

Town Manager's Update

December 15, 2016

Announcements

- As of Thursday, December 8th, the Dog Park is now officially open. Please note that during the winter months when a snowstorm occurs, it may take the Public Works Department several days before they are able to get the Parking Lot at the Dog Park plowed out as the Town streets get first priority. The inside of the Dog Park **will not** be plowed or shoveled as we do not have the resources to do this.
