Community Development conference room

No meetings were held in April, May or June due to Pandemic.

OLD BUSINESS:

Old Home Signs : We agreed to follow up on homes and other buildings that have received signs in the past, but not currently on the buildings.

Will Anita create lists of homes, addresses, owners and template letter?

Will members send these letters to owners?

Old King's Highway status: Review status.

Are we still planning to walk the trail and photograph it? Set date.

Chip was planning to talk with James Demerion about New Mansion lot 20B.

Chip was planning to talk with owner at 18 Greenleaf St. about tent/canopy. Will we

Take any action to research it?

Graveyards: Anita has had a group of 4-12 working on cleaning gravestones at Turkey Hill.

Pandemic has left people with time for this. About $\frac{3}{4}$ done. Hope to continue with other graveyards.

Stone walls: Barbara has master-map and has continued to investigate and record stonewalls.

Anita has been using town GIS maps to record many of the roads, but not continuing onto private property. Do we have any other input

Old Tree list: No further action. Still plan to meet with owner on Seaverns Bridge Rd. and photograph tree at that location.

ONGOING BUSINESS:

Sklar property – Nothing to report. Anita has received inquiry.

Old Blood and Grater Roads: Still plan to walk these roads in future.

Scavenger Hunt: Anita has prepared list of past and 12 potential sites for use in the future. No current plans.

BAE deed review. Gigi continues working on locating past properties involved with use of map showing deeds with emphasis on the Blanchard/Bowers historic properties.

Stressing the Bowers properties. Not critical at this point, so can wait.

Original old schoolhouse and fire station signs. This is on hold until businesses open up. No one will give me much information without an actual visit.

Simon's Rock: No reply from legal dept. yet. I'm leaving this as a something to address later.
