

## **MECHANIC I OR II PUBLIC WORKS – WASTEWATER DIVISION**

The Town of Merrimack is seeking a **Mechanic II or Mechanic I** to work within the Wastewater Division of Public Works. Employees in this class perform highly skilled tasks in the preventive maintenance and repair of pumps, pneumatic controls, compressors, electric motors, and valves.

While preference will be given to candidates that meet the qualifications for Mechanic II, the right candidate will be considered as a Mechanic I if they have the skills and ability to complete the training and obtain license required to be promoted to Mechanic II.

Mechanic II requires: HS Diploma or GED and 3 years of experience in the operation and maintenance of heavy-duty equipment and a valid CDL-B with Air Brakes and Tank endorsements. For Mechanic I requirements, see posted job description.

Normal work schedule is Tues. through Sat. 7am to 3pm. Mechanic II rate up to \$24.77 after completion of 6 month trial period, DOE. Movement on wage scale based on steps for time in grade. Health, life, and short-term disability insurance premiums are currently 100% employer paid. Includes paid vacation, sick, & personal leave, and participation in the New Hampshire Retirement System.

**Applications, wage scale, and job descriptions are available at [www.merrimacknh.gov/jobs](http://www.merrimacknh.gov/jobs) or may be obtained at the Merrimack Town Hall – HR Office, 6 Baboosic Lake Road, Merrimack, NH, 03054. Applications must be received by Sharon Marunicz at the same address or as an email attachment at [applications@merrimacknh.gov](mailto:applications@merrimacknh.gov) by 4pm on Thursday, November 8, 2018.
