1. The Town of Merrimack complies with the Federal Family and Medical Leave Act (FMLA) of 1993 and all applicable State laws related to family and medical leave. This means that, in cases where the law grants you more leave than our leave policies provide, the Town will give you the leave required by law.
2. FMLA Leave Eligibility: The FMLA provides up to twelve (12) weeks of unpaid leave every twelve (12) months to eligible employees for certain family and medical reasons. To be eligible, you must have worked for the Town for twelve (12) months, and for one thousand two hundred fifty (1250) hours over the previous twelve (12) months. (See the FMLA regarding exemptions for certain highly compensated employees). Intermittent leave will be permitted for eligible employees where necessary.
3. Measurement of 12 Month Period: For purposes of this policy the "twelve month period" described in the FMLA will be measured forward from the date the employee's first FMLA leave begins. Accordingly, you are entitled to twelve weeks of leave during the year beginning on the first day you take FMLA leave. The next 12-month period would begin on the first day on which you take FMLA leave after the completion of any previous 12-month period.
4. When an employee requests any time off from work that qualifies as leave under the FMLA, the Town shall designate such leave as FMLA leave upon written notification to the employee.
5. Reasons for Taking Leave: If you are an eligible employee you are entitled to FMLA leave for any of the following reasons:
 - a. To care for a newborn, an adopted child or a foster child within a year of the child's arrival,

- b. To care for a spouse, child, or parent who has a serious health condition, or
 - c. For a serious health condition that makes you unable to perform the functions of your job,
 - d. Because of any qualifying exigency (as the Department of Labor Regulations shall define that term) arising out of the fact that the spouse, or a son, daughter, or parent of the employee is on active duty (or has been notified of an impending call or order to active duty) in the Armed Forces in support of a contingency operation.
6. Where the need for FMLA leave is foreseeable, the employee must provide notice of your need for leave to the Town not less than thirty (30) days before the leave is scheduled to begin. If your need for FMLA is not foreseeable (for example where a birth or placement of a child or a need for medical treatment requires leave to begin in less than thirty (30) days), you must provide notice as soon as possible.
 7. If your need for leave is foreseeable based on planned medical treatment, you should make a reasonable effort to schedule the treatment so as not to disrupt unduly the operations of the Town, subject to the approval of your health care provider.
 8. The Town requires that you provide a medical certification of your need for leave because of a serious health condition (whether your own or that of your child, spouse or parent's) whenever the leave is expected to extend beyond three (3) consecutive days or will involve intermittent or part time leave. As the eligible employee, you shall have no more than 15 calendar days to provide the medical certification to the Town.
 9. The Town requires that you provide a medical certification of your ability to resume work after a FMLA leave for your own serious health condition. An eligible employee shall not be permitted to return to work after FMLA leave until the employee has submitted a Fitness for Duty Medical Certification with regard to the particular condition that caused the employee's need for FMLA Leave.
 10. Substitution of Paid Leave for Unpaid Leave: In the case of an employee's own serious health condition or of leave for the birth or adoption of a child, or the serious health condition of a spouse, child or parent, an eligible employee must substitute any accrued sick leave, vacation leave, and/or personal leave for any part of the unpaid leave provided for under the FMLA with the exception of a covered workers compensation absence. The substitution of paid leave time for unpaid leave time does not extend the 12-week leave period. Your family/medical leave will run concurrently with other types of leave (e.g., sick, vacation, disability, workers compensation, etc.).
 11. You may elect not to substitute paid leave for unpaid leave while on a covered worker's compensation absence (see Article XV Supplemental Compensation, Workers Compensation for details). You will not accrue vacation, personal, sick, or holiday benefits while on unpaid leave.
 12. Service Member Family Leave: An eligible employee who is the spouse, son, daughter, parent, or next of kin of a covered service member who is recovering from a serious illness

or injury sustained in the line of duty on active duty shall be entitled to a total of 26 workweeks of leave during a 12-month period to care for the service member. The leave described in this paragraph shall only be available during a single 12-month period. During this 12-month period, an eligible employee shall be entitled to a combined total of 26 workweeks of leave (including any time taken because of any qualifying exigency arising out of the fact that the spouse, or a son, daughter, or parent of the employee is on active duty (or has been notified of an impending call or order to active duty) in the Armed Forces in support of a contingency operation).

13. Periodic Reporting: If you take leave for more than two (2) weeks, the Town requires that you report to your Department Head at least every two weeks on your status and intent to return to work.
14. If both spouses are employed by the Town, they are limited to a combined total of twelve (12) weeks of FMLA leave during any twelve (12) month period for purposes described in paragraph (a) under Reasons for Taking Leave above. However, each employee may use up to twelve (12) weeks of FMLA leave during any twelve (12) month period if the leave is for purposes described in paragraphs (b) and (c) under Reasons for Taking Leave above.

The complete provisions of the FMLA are too lengthy to include in this policy. However, if you have questions about the FMLA or would like to review the statute itself, please contact the Human Resources Coordinator or the United States Department of Labor.

MATERNITY LEAVE

1. In accordance with RSA 354-A:7, VI, all female employees may take an unpaid leave of absence for the period of temporary physical disability resulting from pregnancy, childbirth or related medical conditions. Employees affected by pregnancy, childbirth or related medical conditions shall be treated in the same manner as any employee affected by any other temporary disability. A maternity leave begins when an employee is medically determined to be disabled and ends when she is medically able to return to work. The employee's job shall remain open during the period of disability unless a business necessity would make it impossible or unreasonable. Employees will be required to take FMLA leave, if they are eligible for such leave, prior to taking additional maternity leave under this policy.
2. Employees must use their accrued sick, vacation and personal time before taking unpaid leave under this policy. Employees on maternity leave may also be eligible for short-term disability benefits.
3. Employees on maternity leave who are not eligible for FMLA leave or who have exhausted their FMLA available leave weeks will be allowed to continue to participate in our health insurance benefit for the calendar month during which the leave begins. When that calendar month expires, the employee may continue medical insurance coverage by making arrangements with the Human Resources Coordinator to pay the entire amount of the appropriate monthly premium in advance each month.

4. When the Employee is physically able to return to work, her original job or a comparable job will be available to her unless business necessity makes this impossible or unreasonable.

 - e. Limitations on Leave: The Town of Merrimack may limit the leave provided under this policy if the employee's leave creates an undue hardship to the Town of Merrimack's business.
 - f. No Discrimination: The Town of Merrimack will not discharge, threaten, or otherwise discriminate against any employee regarding the employee's compensation, terms, conditions, location or privileges of employment because the employee has exercised his or her right to leave work as provided under this policy. ¹ This policy is subject to the Town's ADA policy.

a formal grievance. The direct supervisor shall give their answers within seven (7) calendar days. It is anticipated that nearly all complaints can be resolved informally without grievance.

2. It shall be the right of an employee to present and process grievances. A grievance shall be defined as an alleged violation, misinterpretation, or misapplication of any provision of this manual.
3. The following matters shall be excluded from this grievance procedure:
 - a. Any matter for which a specific method of review is prescribed by law.
 - b. Any matter which, according to law, is beyond the scope of the Town's authority or is limited to the unilateral action of the Town alone.
4. Any and all time limits specified in this grievance procedure may be waived by written mutual agreement of the Town Manager and the grievant. Failure by the grievant to submit the grievance in accordance with these time limits without such waiver shall constitute an abandonment of the grievance. Failure of a Town Manager or Department Head to reply within the specified time limits shall constitute a denial of the grievance.
5. No reprisals or retaliation of any kind will be taken by the Town or employees against any party to, or participant in, the grievance procedure.
6. To be considered under this grievance procedure, a grievance must be reported in writing by an employee to his or her Department Head within five (5) calendar days of the immediate supervisor's answer to the employee's complaint in paragraph 1 above.

Step 1. The grievance must be in writing and specify: the person that has taken the action being grieved; the time and place of the action being grieved; the nature of the grievance; the provision of this manual which has been violated, misinterpreted, or misapplied; the injury or loss that has resulted from such violation, misinterpretation, or misapplication; and the remedy being sought by the grievant. The Department Head shall hold a hearing within ten calendar days after receipt of a timely filed grievance and shall render a written decision no later than seven calendar days after the hearing.

A submission by the grievant to the Town will be considered to have been made and received only when it is presented personally to the named Town representative (i.e. Department Head, Town Manager). Likewise, a reply by the Town to the grievant will be considered to have been made and received only when it is delivered to the grievant.

Step 2. If the grievance has been not resolved to the grievant satisfaction in Step 1, a written appeal to the Town Manager (not to designee) may be filed by the grievant within ten (10) calendar days after receipt of the Department Head's Step 1 decision. Copies of all documentation relating to the Step 1 procedure (grievance and decision) shall accompany said appeal. The Town Manager shall hold a hearing within fourteen (14) calendar days after the receipt of the appeal and shall render a written decision within fifteen (15) calendar days after the hearing.

Step 4. If the grievant does not agree with the Town Manager's decision in Step 2, the grievant may request arbitration by the American Arbitration Association, or, by mutual agreement, the Public Employees Labor Relations Board (PELRB).

ARTICLE XXII: MISCELLANEOUS

2. Performance Evaluation. The Town of Merrimack's Employee Performance Appraisal program shall be used for evaluating the level of success of the employees' on-the-job performance. The annual Employee Performance Appraisal may be a major part of the basis for discipline, promotion, and the awarding of merit pay. Employees will be provided a true copy of all completed Employee Performance Appraisal forms. Any disciplinary action resulting from an Employee Performance Appraisal and relating to Article XIX may be submitted to the grievance procedure.
3. Joint Safety Committee. A member of the bargaining unit shall be appointed to the Occupational Safety Committee. This committee shall meet as necessary and discuss safety and health conditions. Committee members will be granted time off with pay when meeting jointly with management, and for any inspection or investigation of safety or health problems in the department or authorized by the chief of police. In the event any provision of this agreement in whole or in part is declared to be illegal, void, or invalid by any court of competent jurisdiction, or any administrative agency having jurisdiction, all of the other terms, conditions, and provisions of this agreement shall remain in full force and effect to the same extent as if that provision had never been incorporated into this agreement and, in such event, the remainder of this agreement shall continue to be binding upon the parties thereto.

ARTICLE XXIV: EFFECT OF AGREEMENT

1. This instrument constitutes the entire agreement between the Town and the Union, arrived at as a result of collective bargaining negotiations except where such amendments hereto as shall have been reduced to writing and signed by the parties.
2. The parties acknowledge that during the negotiations which resulted in this agreement, each had unlimited right and opportunity to make demands with respect to any subject or matter not removed by law from the area of collective bargaining, and that the understandings and agreements arrived at by the parties after the exercise of that right and opportunity are set

forth in this agreement. Therefore, the Town and the Union, for the life of this agreement, each voluntarily and unqualifiedly waives the right and each agrees that the other shall not be obligated to bargain collectively with respect to any subject or matter referred to or covered by this agreement, or with respect to any subject or matter not specifically referred to or covered in this agreement, even though such subjects or matters may not have been within the knowledge or contemplation of either or both of the parties at the time that they negotiated or signed this agreement.

3. Both parties by mutual agreement may re-open any article(s) within the CBA for the purpose of re-negotiating said Article. Both parties agree to negotiate in good faith to reach a valid agreement. All other articles within the CBA shall remain in full force and effect. If the parties cannot reach an agreement on the said Article(s), then said Article(s) shall remain in full force and effect as originally written.

ARTICLE XXV: DURATION OF AGREEMENT
