Subject: Nominee for the Souhegan River Local Advisory Committee

Finlay,

Jim Taylor, former Merrimack WW treatment plant employee, has expressed an interest in joining the Souhegan River Local Advisory Committee (SoRLAC) as a representative from Merrimack. We have an opening on the Committee and would really like to have him on board because of his special knowledge. His appointment to the SoRLAC will take action by the Merrimack Town Council, and NHDES. He has completed the Nominee Form, attached. With your agreement, I can ask Becky to add it to your next convenient agenda. Please let me know if you have any questions.

Nelson

Additional Information

Please include a short description of your relevant background knowledge of local river-related issues or general river management and protection:

I worked as a water quality professional for 41 years, serving as the Assistant Director of Public Works for the Town of Merrimack for the past 13 years until my retirement in April managing the Towns wastewater treatment facility . I have extensive knowledge of water quality issues and a strong desire to serve in a capacity that would benefit the Town in terms of protecting the Souhegan River as well as enhancing recreational opportunities for Town residents. While I live in Hollis, I believe that water quality transcends boundaries and affects all NH residents. NH has done a fantastic job of protecting our waters, and I look forward to being a small part of that. I am respectfully submitting this application for your consideration. Thank you.

Most Local Advisory Committees engage in a variety of activities. Reviewing those activities listed below, please check those that are of most interest to you:
