SUBJECT: Town Council Agenda- Approval of donation

Hi Eileen

The MYA Basketball Program would like to donate up to \$5,000 for the purchase and installation of 2 new basketball hoops for Twin Bridge Park. These would replace the 2 existing hoops that are located in the Parking Lot. The hoops proposed are similar in design to the ones that were donated to Wasserman Park last year.

On Wednesday, October 17, 2018; the Parks & Recreation Committee reviewed this donation proposal and unanimously voted to recommend approval of the donation.

A handwritten signature in black ink, appearing to read "Matt Casparius". The signature is written in a cursive style with a large, sweeping initial "M".

Hi Matt, & Happy Friday!!

Is there anything else you need from me for the 10/17 Parks&Rec Committee meeting? We are using \$5K as the budgeted donation amount, which should cover purchase and installation of 2 hoops at the MYA Building.

Regards,

John Calabro

Hi Matt,

Hercules Diamond Basketball System

A great looking system that will hold up in the most demanding applications while surpassing athletes' expectations with gymnasium quality play. A massive 8 inch square pole delivers an incredible base of stability. The regulation 72 inch glass or acrylic backboard projects into the playing area five feet making it perfect for courts with regulation striping or for elementary schools where children tend to clump up underneath the basket.
