SUBJECT: Eagle Scout Candidate Project Proposal

Hi Eileen,

On Wednesday, October 17th; Boy Scout TJ Vadney from Troop 424 made a presentation to the Parks & Recreation Committee on his proposed Eagle Scout Project that he would like to complete with the Parks & Recreation Department.

For his project, he is proposing to building us an archery equipment storage shed at Wasserman Park; which would be located adjacent to the existing archery range. Right now we don't have a great place to store our equipment and it stored in multiple locations throughout the park. This will allow us to store everything right next to the Archery Range.

The shed is being modeled after the one building by the Girl Scouts at the Dog Park.

The Parks & Recreation Committee feels that his project would be a valuable addition and are recommending it to the Town Council for approval.
