RE: **2nd Quarter Financial Report**

Enclosed please find the quarter ending December 31, 2018 financial information. In reviewing the enclosed, documents I believe that at this time we have sufficient appropriations to cover the operations of the Town. I also believe we will meet our revenue projections. However I will be keeping a close eye on the revenues and if needed will begin steps with the Town Manager so that no fund balance will be used to offset any revenue shortfall.
