TITLE OF ITEM

Condition and Paving of Longa Road

DESCRIPTION OF ITEM

Longa road is one of the 16 dirt roads in Merrimack, NH. I've been living on this road now for 2 years and during those years I've seen the road continually fall victim to the elements. The road is plagued with large pot holes, deep mud, challenging width, and an overall challenge to drive safely on. I have complained and requested the road to be serviced and to the credit of DPW they come out and re-grade the road. Unfortunately, this is a very temporary fix. Most recently they came out (appx week of March 18, 2019) and had little to no affect. They also placed a cone where the road was unable to be repaired. I am not satisfied with the actions to improve the condition of the road. I know there is more we can do. I've seen road improvements done throughout Merrimack and I can only feel a little bit disappoint that my road is being overlooked. Grading is no longer the solution.
