Conservation Commission Membership
Becky, Town Council

Please accept this email response as application for another term as a Conservation Commissioner for the Town of Merrimack. I believe in Conservation's Commission's mission and have enjoyed being able to contribute to the Town in this manner. The past six years as a Commissioner have been a rewarding and learning experience. I hope together as a Commission we can continue to learn and help to make Merrimack a better place.

Sincerely,
Michael Boisvert

Dear Becky:

Thank you for sending me a reminder that my term on the Conservation Commission is due to expire on June 30, 2020. I would like to be considered for reappointment for a full member position on the Merrimack Conservation Commission for a three-year term ending June 30, 2023.

I have enjoyed serving on the commission and learning more about conservation and the ways that I can help protect the wildlife and land in Merrimack.

Sincerely,

Becky,

This is in response to your notice that my membership on the Heritage Commission expires June 30, 2020. It is my intention to remain on the Commission, but not as chairman. I doubt if we have anyone interested in taking the chairmanship, but will make it clear that we need one.

I will contact you soon, when we can set a date for the Commission to meet.

Hi Becky.

Yes, I would like to continue to serve on the Technology Committee. It is my hope to get a quorum together after the COVID-19 emergency so we can meet.
