# State of New Hampshire

HOUSE OF REPRESENTATIVES

CONCORD

January 24, 1996

Ms. Virginia Beecher, Director  
N.H. Motor Vehicle Dept.  
Hazen Dr.  
Concord, N.H. 03305

Dear Director Beecher:

This year, the town of Merrimack N.H. is celebrating its 250th anniversary. Needless to say there are many activities and events scheduled to celebrate this historic occasion.

In order to raise funds to defray the cost of some of it's activities, Merrimack is selling a commemorative license plate. We would like your authorization, starting February 1, 1996, to allow the purchasers to display these license plates on the front of their motor vehicles, in lieu of the regular New Hampshire license plate.

On behalf of the town of Merrimack, I would also like to present you with one of our commemorative plates.

I look forward to hearing from you and hope you look favorably on our request.

Sincerely,

A handwritten signature in cursive script, appearing to read "Rep. Bob L'Heureux".

Rep. Bob L'Heureux  
94 Back River Rd.  
Merrimack N.H. 03054

RICHARD M. FLYNN  
COMMISSIONER OF SAFETY

VIRGINIA C. BEECHER  
DIRECTOR OF MOTOR VEHICLES

January 31, 1996

The Honorable Bob L'Heureux  
New Hampshire Representative  
94 Back River Road  
Merrimack, NH 03054

Dear Representative L'Heureux:

In response to your recent request for the Town of Merrimack to sell and display commemorative plates for the town's 250th anniversary, please be advised that your request has been approved. The commemorative plates will be valid from February 1, 1996 to February 1, 1997.

One anniversary plate may be attached to the front of a motor vehicle in lieu of the regular number plate; however, the rear number plate must remain in place. Any vehicle displaying an anniversary plate must be legally registered and inspected for the current year.

Thank you for your thoughtful gesture in sending me one of the commemorative plates. It is very attractive and rather unique in its design.

I want to take this opportunity to wish the best of luck to you and all the residents of Merrimack for a successful celebration on this historic occasion. Congratulations on reaching this important milestone!

Sincerely,

A handwritten signature in cursive script that reads "Virginia C. Beecher".

Virginia C. Beecher  
Director of Motor Vehicles

## MEMO

TO: Eileen Cabanel, Town Manager

FROM: Matt Casparius, Director of Parks & Recreation

DATE: August 13, 2020

SUBJECT: Revised Special events memo

Back in June, I was tasked with coming up with some ideas on how we could replace the cancelled 4<sup>th</sup> of July celebration with a new community event that could feature fireworks.

At that time, I had made 3 recommendations to you and the Town Council on possible options, which included the following:

1. Combining fireworks with the Merrimack Rotary Club's Ribfest Event on October 3<sup>rd</sup>
2. Creating a new Fall Festival/Old Home Days Type Event in September or October
3. Waiting until April 2021 to celebrate Merrimack's 275<sup>th</sup> Anniversary

At the Town Council meeting on this topic; I was asked to also look into the idea of holding an event in connection with Veteran's Day.

I want to give you an update on our options related to these 4 options.

1. The Merrimack Rotary Club Ribfest Event has been cancelled. In speaking to the Club; it was Budweiser that cancelled the event on them out of concerns with large gathering of people attending an event at their facility and the inability to meet the festival & event guidelines.
2. In terms of trying to organize a Fall Festival/Old Home Days type of event although many communities around us are either cancelling these events or scaling back on them significantly. The two most notable ones that are near us are Hudson; which has cancelled their event entirely and Londonderry who are holding fireworks and a 5K road race only.

The Governor has issued two relevant pieces of guidance related to community events; which I have attached.

The first guidance document is on managing Fairs & Festivals. I have attached the document to this memo but essentially there are extensive requirements to maintaining social distancing, requirements for cleaning and hand sanitizing, monitoring staff and volunteers for COVID-19 related symptoms but most importantly there is a requirement to limit attendance for daily & hourly capacities.

The second document is Emergency Order #63 – Requiring Face Coverings for gatherings over 100 people which was issued by the Governor on August 11<sup>th</sup>. This emergency order states that face

coverings shall be required for all persons who attend or are otherwise present at the following activities that take place in the State of New Hampshire:

Scheduled gatherings of 100 people or more for social, spiritual, and recreational activities, including but not limited to, community, civic, public, private, leisure, faith based, political, or sporting events; parades; concerts, festivals, conventions; fundraisers; and similar activities; where individuals are gathered in the same place at the same time.

The guidance puts the event organizers in charge of ensuring compliance with the masks. Based on these two guidance documents, I am not sure a traditional community festival where anyone and everyone can attend is possible at this time.

Now, Parks & Recreation always holds an Annual Halloween Party in October. We are currently exploring the idea of moving our event from a Friday Night to a Saturday during the day; requiring advanced registration to the free event so that we can limit the capacity and then spreading out the event to areas throughout Wasserman Park and probably limiting our numbers to fewer than 100 hundred people at a time.

3. In looking at the idea of combining an event with the Veteran's Day Holiday in November; I spoke with Commander Roland Roberge from American Legion Post 98. They are planning for a ceremony at Last Rest Cemetery with the Police Department Color Guard; which typically only last about 20 minutes.

As I mentioned above, the Town of Londonderry is holding fireworks for their Old Home Day Festival but are requiring individuals to watch from the Fireworks from their vehicles or sitting in a chair directly next to their vehicle. Now Londonderry has the benefit of having 3 schools, and their Town Hall complex with large parking lots all with prime viewing locations of their fireworks display. To see the fireworks here you really have to watch primarily from the front of Merrimack High School.

If we were to do fireworks; I would suggest reaching out to Budweiser and Merrimack Premium Outlets to see if they would host the fireworks display. For example, if Budweiser were willing to allow the fireworks to be set off from their property; without allowing attendees to be physically on their property, they may be ok with that. We would then ask Merrimack Premium Outlets to allow everyone to watch the display from their parking lot. I have not reached out to either organization to see if that is something that they would consider doing. The one other hiccup I see is that Veteran's Day falls on a Wednesday this year.

Based on the guidance from the Governor, and the requirement to enforce masks; I am not sure that a parade would be possible to implement at this time. It would be challenging not only to get parade participants to wear masks and social distance, but as I read the emergency order, we would also be responsible for enforcing parade viewers to wear masks and/or social distance as well. Coming up on December 6<sup>th</sup>; we do have our Annual Parade & Tree Lighting which is going to have the same issue unless circumstances and rules have changed by December.

4. In my original memo; I had talked about the idea of holding off until April 2, 2021 and holding a large community event to commemorate Merrimack's 275<sup>th</sup> Anniversary. We could possibly look at making it a weekend long celebration event with activities going on throughout the weekend and fireworks held on Friday Night. We could even have multiple events going on in multiple locations throughout the Town. The one potential area of concern I can see is that Friday, April 2<sup>nd</sup> is Good Friday and Sunday, April 4<sup>th</sup> is Easter Sunday, and so I don't know if that would be a concern to some people.

---

Given the uncertainty with COVID-19 at this time, this option still makes the most sense to me, but if the Council desires; I will put in place whatever option you ask me to do.

Thank You

**STATE OF NEW HAMPSHIRE  
OFFICE OF THE GOVERNOR**

**CHRISTOPHER T. SUNUNU**  
Governor

**STATE OF NEW HAMPSHIRE  
BY HIS EXCELLENCY  
CHRISTOPHER T. SUNUNU, GOVERNOR**

**Emergency Order 63 Pursuant to Executive Order 2020-04 as extended by Executive Orders, 2020-05, 2020-08, 2020-09, 2020-10, 2020-14, 2020-15, and 2020-16**

**An order requiring face coverings for certain scheduled gatherings of 100 or more individuals**

**WHEREAS**, on Friday, March 13, 2020, the President of the United States declared a National Emergency Concerning the Novel Coronavirus Disease (COVID-19) Outbreak. This declaration remains in effect as of the date of this Executive Order; and

**WHEREAS**, on Friday, March 13, 2020, the Governor issued Executive Order 2020-04, an order declaring a state of emergency due to the Novel Coronavirus (COVID-19); and

**WHEREAS**, on June 15, 2020, the Governor issued Emergency Order 52, that transitioned from a Stay at Home Order to a Safer at Home Advisory, and that modified many of the restrictions on businesses, places of worship, and other places of commerce or gathering to allow them to continue to transition to full re-opening while limiting the risk of multiplying the spread of COVID-19 in New Hampshire; and

**WHEREAS**, the CDC anticipates that while a high percentage of individuals affected by COVID-19 will experience mild flu-like symptoms, some will have more serious symptoms and require hospitalization, particularly individuals who are elderly or have underlying chronic health conditions; and

**WHEREAS**, the CDC reports that COVID-19 is most commonly spread from an infected person to others through respiratory droplets, including:

- Between people who are in close contact with one another (within about 6 feet);
- Through respiratory droplets produced when an infected person coughs, sneezes, or talks;
- When the droplets land in the mouths or noses of people who are nearby or are possibly inhaled into the lungs; or
- By people who are not showing symptoms but who are infected with COVID-19.

**WHEREAS**, the CDC reports that COVID-19 is spread mainly from person to person, that COVID-19 is currently spreading very easily and sustainably, that COVID-19 is spreading more

efficiently than influenza, and that the best way to prevent illness is to avoid being exposed to COVID-19 by taking the following steps:

- Maintain good physical distance (about 6 feet);
- Wash your hands often with soap and water, and if soap and water are not available, use a hand sanitizer that contains at least 60% alcohol;
- Routinely clean and disinfect frequently touched surfaces; and
- Cover your mouth and nose with a cloth face covering when around others.

**WHEREAS**, as of August 5, 2020, states neighboring New Hampshire have reported significant numbers of COVID-19 cases: Massachusetts has reported 111,033 confirmed positive cases and 8,436 deaths, Rhode Island has reported 19,481 positive cases and 1,012 deaths, and Connecticut has reported 50,110 positive cases and 4,437 deaths; and

**WHEREAS**, many individuals who attend large gatherings in New Hampshire come to this State from Massachusetts, Rhode Island, and Connecticut; and

**WHEREAS**, on August 3, 2020, Dr. Fauci stated, during an interview with Dr. Howard Bauchner, the editor of the *Journal of the American Medical Association*, that the United States continues to see 50,000 to 60,000 new cases of COVID-19 and 1,000 deaths per day, suggesting that the country is “right in the middle of the first wave,” and that it is crucial that the outbreak be contained before autumn, when influenza cases are likely to spike alongside COVID-19 and when more people begin to move indoors, increasing the risk of contagion; and

**WHEREAS**, social distancing is most difficult at large gatherings, and the CDC states that wearing masks is most important when social distancing is difficult.

**NOW THEREFORE**, Pursuant to Section 18 of Executive Order 2020-04, as extended by Executive Orders 2020-05, 2020-06, 2020-08, 2020-09, 2020-10, 2020-14, 2020-15 and 2020-16, it is hereby ordered, effective immediately, that:

1. Face coverings shall be required for all persons who attend or are otherwise present at the following activities that take place within the State of New Hampshire:

Scheduled gatherings of 100 people or more for social, spiritual, and recreational activities, including, but not limited to, community, civic, public, private, leisure, faith based, political, or sporting events; parades; concerts; festivals; conventions; fundraisers; and similar activities; where individuals are gathered in the same place at the same time.

2. The requirements of Paragraph 1 shall not apply to the following:

- (a) Scheduled gatherings where attendees are seated and separated by at least 6 feet from any person except those that are (i) a member of that person’s household, or (ii) part of that person’s party, or, (iii) assigned to that person’s table. For scheduled gatherings subject to this exception provision, attendees must wear face coverings while entering and exiting the gathering and while moving to and from their seats.

- (b) Day-to-day operations of for profit or not for profit organizations and State and local governments, including K-12 schools, where 100 or more people may be present in a facility.
  - (c) Children under the age of 2.
3. Events, activities, or individuals that are covered by Paragraph 1 shall continue to comply with any applicable guidance issued pursuant to Emergency Order 52, as extended by Emergency Order #61.
  4. Any entity, property owner, facility owner, or person that organizes or allows its property/facility to be used for a scheduled gathering of 100 or more people shall make reasonable efforts to ensure compliance with this Order. It shall constitute a violation of this Order if any such entity, property owner, facility owner, or person (a) knowingly violates this Order, or (b) refuses to comply with a prior warning about the requirements set forth in this Order.
  5. The Division of Public Health and State or local police shall have the authority to enforce this Order.

Given under my hand and seal at the Executive Chambers in Concord, this 11th day of August, in the year of Our Lord, two thousand and twenty, and the independence of the United States of America, two hundred and forty-four.

## FESTIVALS AND FAIRS

### Safeguarding Guidance:

The intent of these recommendations is to reduce transmission of COVID-19 among employees and customers; support healthy business operations; and maintain a healthy work environment. In addition to strict adherence to U.S. Centers for Disease Control and Prevention (CDC), Equal Employment Opportunity Commission (EEOC) and Occupational Safety and Health Administration (OSHA) guidance, and US Food and Drug Administration (FDA), the State of New Hampshire recommends policies and procedures to protect consumers and employees, including:

### General Guidance

1. For the protection of other guests and employees, attendees are encouraged to bring and wear a protective face mask, especially when on shuttle buses, entering and exiting the grounds, waiting in lines, buying tickets or food/drink, and when social distancing is difficult to maintain. Face coverings are not required when seated and watching a performance in an appropriately physically distanced area.
2. It is encouraged that organizers have protective face masks available onsite for patron/employee/volunteer use.
3. Staff, performers, production crews, exhibitors, and volunteers must wear cloth face coverings when in a facility, in public locations, shared staff areas (e.g. break rooms), and when interacting with clients, even if outdoors (e.g. operating a ride or booth). Outdoor employees may temporarily remove their masks when no other individuals are within 6 feet.
  - a. Provide training on cloth face coverings based on CDC guidance for Use of Cloth Face Coverings.
  - b. People wearing face coverings should not touch their eyes, nose, mouths, or faces, or adjust their face coverings without first sanitizing their hands. After touching their faces or adjusting their face coverings, their hands should be sanitized.
4. Customers should be encouraged to wear cloth face coverings when within the facility or public spaces with other individuals present, even if outdoors when social distancing is difficult to maintain.
5. Staff, performers, production crews, exhibitors, and volunteers should maintain a distance of at least 6 feet from others at all times.
6. There may be times when singers, musicians, emcees, auctioneers, etc. cannot wear masks given the nature of their roles. They should follow the "Additional Process Guidance for Presenting Venues and Performers" in the Performing Arts Venue guidance.
7. Staff/independent contractor testing may be considered for use as well. If adopted, a written policy must be developed and communicated to those contracted for the company.

# SAFER AT HOME

## FESTIVALS AND FAIRS

8. All staff, independent contractors, exhibitors and volunteers should be screened in accordance with New Hampshire's Universal Guidance for Employers.

### General Guidance to Protect Employees, Volunteers, and Attendees

1. Review and follow the Universal Guidelines for all New Hampshire Employers and Employees.
2. Review and follow CDC guidance for businesses and employers.
3. Review and follow CDC guidance for cleaning and disinfection.
4. If providing Food Services, follow Food Service Industry guidance. Follow ServSafe COVID-19 training guidelines if applicable.
5. Review and follow the Retail guidance as appropriate.
6. If amusement park rides are offered, review and follow Amusement Park Guidance.
7. Conduct employee health screening as outlined in the Universal Guidelines for All New Hampshire Employers and Employees.
8. Train all employees on the importance of frequent hand washing and the use of appropriate hand sanitizers.
9. Provide COVID-specific safety training for staff who manage or oversee event volunteers, occasional part-time employees, and production and security crews.
10. Alcohol-based hand sanitizer/portable wash stations must be made readily available and must be placed with frequency throughout the grounds, including on entry, in key walkways, in food and beverage locations, in restrooms, at transportation points, at checkout locations, and at exits. Hand sanitizer must also be provided in non-public settings as well.
11. Commonly touched surfaces, work areas, and public areas should be frequently cleaned and disinfected according to CDC guidance at a minimum every 2 hours and at the end of each shift.
12. Staff, volunteers, and attendees should maintain a distance of at least 6 feet at all times.

### Employee and Volunteer Protection

1. Assign dedicated staff (i.e. a safety officer) to monitor and ensure compliance with social distancing, hand hygiene, cloth face covering use, and other protective actions.
2. Employees and volunteers must be provided with education and training around safe practices as it relates to hand hygiene, sanitation (cleaning and disinfection policies), and illness policies outlined in the Universal Guidance and Retail Store Guidance.
3. Employees and volunteers must be screened (questioned about) symptoms of COVID-19 before each shift as outlined in the Universal Guidelines for all New Hampshire Employers and Employees. Staff and volunteers with any symptoms should not be allowed to work.

# SAFER AT HOME

## FESTIVALS AND FAIRS

4. Require all employees and volunteers to report any symptoms of COVID-19 or close contact to a person with COVID-19 to the event's COVID-19 director.
5. Acrylic shields or other types of barriers/hygiene screens should be placed in areas between attendees and staff/volunteers who are in frequent close transaction situations; e.g., ticket sales, ticket collection, prize collection, etc.
6. Shared use tools and equipment will be cleaned and disinfected before being redistributed.
7. Employees should carry alcohol-based hand sanitizer and frequently practice hand hygiene throughout the day, including upon arrival, before and after going to the restroom, before and after touching their face masks or face coverings, before and after eating, and prior to leaving the facility for the day.

### Performer and Exhibitor Protection

1. Adhere to all NH travel guidance for performers and exhibitors from out of state.
2. Conduct daily screenings on COVID-19 symptoms for all performers and exhibitors. Performers and exhibitors with any symptoms should not be allowed to work.
3. Ensure that any performance areas/locations allow enough space for appropriate physical distancing of performers (see Performing Arts Venue guidance).

### Attendee Protection

1. Festival and fair organizers should have a communication plan to inform attendees prior to their visit about health and safety practices at the event and other information attendees need upon arrival. Plans may include: websites, social media, email or other electronic communication, such as reservations or confirmations, and print.
2. Events must incorporate social distancing into the operation of restrooms, performance/event seating, and food service. Special consideration should be taken with parking and public transportation (shuttle buses, golf carts, carriages, etc.).
3. Signage must be prominently posted at entrance(s) informing attendees about symptoms of COVID-19 and social distance requirements; to practice frequent hand hygiene/washing; and wear a cloth face covering over mouth and nose to protect others (see Universal Guidelines for sample language).
4. Attendees should not be admitted to a fair or festival if they report experiencing symptoms associated with COVID-19 or have knowingly been in contact with anyone who is ill.
5. Attendees should be limited to no less than six feet distancing from the edge of a performance area. Singing or wind instrument performances should follow audience spacing detailed in performing arts venue guidance. Attendees should remain in their seats and performers should not physically interact with audience. More space should be considered when larger performance groups are present.

# SAFER AT HOME

## FESTIVALS AND FAIRS

### Business Process Adaptations

1. Outdoor venues are preferable to indoor venues to reduce the risk of exposure and spread to attendees. **Outdoor events are not subject to capacity limitations and may operate at normal operating capacity as long as 6 feet of separation between individuals and groups can be maintained.**
  - a. Indoor venue admissions should be limited to 50% occupancy, or to the number of people where at least 6 feet of physical distancing is able to be consistently maintained between people or groups of close household contacts when seated in the auditorium, whichever number is lower.
2. Admission limits will be determined for daily and hourly capacities to ensure appropriate social distancing pursuant to the Universal Guidelines.
3. Advance reservations will have priority and general admission will be permissible based on availability.
4. Where possible, utilize online tickets or touchless scanning technology in place of paper tickets. Utilize touch-free/contactless payment options when possible, reducing face-to-face purchase transactions.
5. Clearly mark physical distancing spaces/guidelines with floor/ground markings, seat markings, or signs.
6. Aisles between Exhibitor tables/booths will be spaced at least six feet apart; alternatively, booths may be adjacent side by side provided a barrier (side wall) is in place.
7. Parking Lot workers should be trained on pedestrian flow to allow for minimal congestion when directing parking.
8. Organizers should consider separate entry and exit points and one-directional flow throughout the grounds, including clearly marked ingress and egress points and easy-to-understand directional signage.
9. Organizers should consider increasing the number of entrances/exits where possible to alleviate issues with bottlenecks.
10. Any seating will be spaced at least six feet apart to maintain social distancing.
11. Any location where people may queue up — restroom, water station, shuttle bus, food truck, exhibitor's table/tent — should have markings, where practical, to reinforce six feet of separation.
12. If shuttle buses are used, capacity should be determined by social distance limitations. Those who live together may be seated together. Buses must be sanitized every two hours. Lines for buses must have clearly marked spots designating six foot distancing.
13. A frequent cleaning schedule for moderate-high touch surfaces before – during- after event will be established. CDC guidelines must be adhered to for disinfecting moderate-high touch surfaces. This includes all surfaces such as tables, barriers/hygiene screens, chairs, and portable toilets.
