SUBJECT: Abbie Griffin 2024

Chief,

It is the recommendation that this year's Abbie Griffin money be spent on our department's response to Electric Vehicle and Lithium Ion battery emergencies. As we are all aware there is a growing concern to the response to these types of emergencies and how to safely mitigate the thermal runaway that takes place due to damage and/or overcharging.

Over the past year we have conducted internal training and took advantage of external education that was offered from NHAFC and other organizations to help navigate fact from fiction. With that said we have compiled a list of equipment we feel would help in our response to these types of emergencies.

The below table is a list of the items:

QUANTITY	DESCRIPTION	TOTAL COST
2	28lbs bag Cell Block EX- loos fill	\$130.00
1	Overpack Drum 10 Gal	\$175.00
2	EV Fire Shield Blanket	\$9,440.00
4	Dual J Hook Recovery Chain	\$658.64
8	Haul-Master 9000 lb Recovery Strap	\$223.92
4	Daytona 1300 lb Self-Loading Positioning Wheel Dolly	\$399.96

The total cost of these items is \$11,027.52. Attached is the reference material used to compile this list and cost.

Dan Newman
Assistant Chief
Merrimack Fire Rescue

MEMO

DATE: JANUARY 9, 2024
TO: MEMBERS OF THE TOWN COUNCIL
CC: PAUL MICALI, TOWN MANAGER
FROM: BRIAN LEVESQUE, POLICE CHIEF
RE: 2023 ABBIE GRIFFIN MEMORIAL FUNDS

One of my goals for the department is to ensure that all our patrol vehicles are equipped with 40 mm less lethal launchers. These launchers can fire foam impact rounds or rubber projectiles. They enable officers to address threats and potentially lethal interactions at a greater distance. We currently have launchers in our supervisor's vehicles however patrol officer are typically on scene first and may have to address the threat before a supervisor arrives. This is another tool that officers use that could prevent a deadly force outcome. I am requesting to purchase 3 Defense Technology launchers for \$3,442.95 (\$1,131 each \$49.95 for shipping). I am also requesting to up fit all patrol vehicles with new racks that can support the 40 mmm launchers and rifles. The total cost for 8 racks and install is \$4385.

We recently purchased new rifles for our patrol vehicle and we need to outfit them with lights. I am requesting to purchase 12 Nightstick Long Weapon Lights Kits for \$1,260 (\$105 each) along with 12 rail mounts for \$239 (19.95 each). We are also requesting to purchase 12 Vickers Push Button Slings for the rifles for \$1,079.52 (\$89.98 each). These slings are easier to maneuver compared to our current three point slings.

The final request is to purchase a Rogue MIL Pull-Up station for \$653.40 (\$495 plus 158.40 shipping). Officers have been requesting a Pull-Up station to complement our gym.

The total amount for the requested purchases is **\$11,060.27**.
