Re: Industrial and Continental Boulevard Salt Use

Dear NHDOT,

Merrimack Village District is requesting that the NH Department of Transportation (NHDOT) issue a "Low Salt" or "Limited Salt" route from the Exit 10 on-ramp from DW Highway southbound onto Industrial Drive, continuing south on Continental Boulevard to end where Continental meets Milford Road.

The undersigned Town Officials support this change in winter maintenance as this route is within the Wellhead Protection area that provides drinking water to the businesses and residents of Merrimack.

Sincerely,

Town Council (all members)
