In reference to the Town of Merrimack's request to replace the roof of the Salt Shed Building at the Highway Maintenance Complex, Friday, May 3, 2024 at 2:00PM, *please be advised that the following questions have been answered:*

- 1. Can we stop by before the due date of the bid opening to take another look at the roof?***  
We ask that you please stop by the front office at the Highway Department to check in before going in the back to take a look at the roof.
- 2. What working hours are allowed for this project?***  
Hours are Monday – Friday from 7AM – 5PM. If you would like to work on Saturday, please let Lori Halverson, the Operation Manager, know so she can make sure that someone is there to unlock the gate to the back yard.

Highway will clear an area for all materials to be dropped off.
- 5. If one of the Fascia boards are rotted, do you want them replaced?*** Please provide the linear foot price on your bid form in case we need to replace a rotted fascia board.
