IV. STATEMENT OF PROBLEM OR NEED. Please list the approved/designated Wheeled Vehicle Trails that are within your jurisdiction. Describe what problems exist and where they are occurring. Describe what enforcement work is needed.

There are many areas of concern throughout town; specific complaints are trespassing on private property, off-road vehicles speeding and operating recklessly, and noise complaints. Budgeting and manpower constraints challenge the agency to

address the complaints with existing staffing.

The Town of Merrimack continues to acquire land for conservation and recreational use. The department has responded to several locations throughout the town over the year for service calls related to OHRV issues.

Merrimack has numerous approved sites for Riders, there is West Road that is set up for dirt bikes, and 4 wheeled vehicles and an area located along the Merrimack River commonly known as the sand pits.

According to our data, most offenses occur on weekends between the months of March/April and September/October. Locations vary throughout town, which make things more complicated to patrol.

Data also shows that many complaints involve young or inexperienced riders and many are not utilizing appropriate safety equipment. After making contact with the individuals involved, officer will find other violations including registration, licensing issues and a lack of knowledge of the New Hampshire Fish and Game laws.

Revised 2/2012

V. PROPOSED SOLUTION: Please provide a proposed solution and indicate how it will directly address the problem/need identified in Section IV. Is your agency involved with any Organized Wheeled Vehicle Clubs within your jurisdiction?

Our solution includes officer working on an overtime basis during the weekend through the project period (8 hours for 8 weeks) They will be assigned "Directed Patrols" where they will patrol a targeted area of town where there are known OHRV problems. ~~The officer will pro-actively make contact with riders and address issues regarding complaints (i.e. speed and trespassing)~~ equipment infractions and safety violations. Written documentation in the form of written warning and or summons for all violations will be made. A log will be completed and filed with the project coordinator at the end of each shift. A proactive response to the OHRV issues in these problem areas should reduce the number of complaints, and educate our recreational riders. A final review of complaints and enforcement activity will be completed at the end of the project period. ~~Since the inception of our OHRV Enforcement Patrols, the number of "checks" has increased. Our presence has been greater in~~ the areas of concern with stricter enforcement and education.

VI. How will patrols be conducted?

OHRV/ATV/Trailbike Patrol cruiser Both

VII. OHRV WHEELED VEHICLE STATISTICS: (attach supplemental data as necessary)

	2010	2011	2012	2013
ARRESTS	3	0	0	0
COURTS/SUMMONS	32	39	2	2
WARNINGS	57	49	28	5
CHECKS	31	22	30	27
COMPLAINTS	21	29	30	24

VIII. PLEASE SPECIFY THE PROPOSED OHRV WHEELED VEHICLE BUDGET USING THE FOLLOWING EXAMPLE:

THE NUMBER OF OFFICERS PER DETAIL, THE NUMBER OF HOURS PER DETAIL, THE NUMBER OF DETAILS DURING THE CONTRACT PERIOD, MULTIPLIED BY \$45.00 DOLLARS AN HOUR.

EXAMPLE: (2 OFFICERS PER DETAIL) X (3 HOURS PER DETAIL) X (10 DETAILS DURING THE CONTRACT PERIOD) X (\$45.00 PER HOUR).

2 X 3 X 10 X \$45.00 = \$2,700.00

2 Officers x 4 Hour Detail x 8 Directed Patrols x \$45.00/Hour = \$2,880.00 or

1 Officer x 4 Hour Detail x 16 Directed patrols x \$45.00/Hour = \$2,880.00

IX. DESCRIBE APPLICANT'S SHARE OF COST:

Merrimack Police Department
Lieutenant Paul Trepaney
31 Baboosic Lake Road
Merrimack, NH 03054

Dear Lieutenant Trepaney:

The New Hampshire Fish and Game Department is pleased to announce that your grant for OHRV Wheeled Vehicle Enforcement details has been approved for **\$1,080.00** pending anticipated final Governor and Council approval. The contract period is from **July 1, 2014 to June 30, 2015** and is to be used exclusively for the purpose of enforcing laws related to OHRV Wheeled Vehicles.

I have submitted the request for an OHRV Wheeled Vehicle Contract between your agency and the New Hampshire Fish and Game Department to the Governor and Council. I will notify you as soon as the contract has been approved by the office of The Attorney General. **It is anticipated that the effective period of the contract will be from final approval to June 30, 2015 and the rate of pay is \$45.00 an hour.** Until such time, I am requesting the following information be completed.

- 1. STATE FORM P-37; Agreement between Fish and Game and your agency. There are three copies to be signed and notarized. They MUST be signed, notarized and initialed AFTER obtaining the authorization from the selectmen. The sections that MUST be completed are highlighted (sections 1.11, 1.12, 1.13, 1.13.1 1.13.2 and Contractors Initials and Date on pages 2, 3 and 4).**
- 2. If you are the person signing the contract, according to Administrative Rules you MUST have the authority to enter into a contract with the State of New Hampshire. Only the Board of Selectmen within your town has the power to grant signature authority. The authorization MUST be CURRENT. Have them bring it up at a scheduled meeting and vote giving you the authority. They MUST include your name in the minutes authorizing you to enter into the contract on behalf of the town.**
- 3. You MUST provide proof of Liability Insurance. By providing a copy of the Town's Liability Insurance Policy showing that the town's minimum limits are \$250,000 per claim and \$2,000,000 per incident.**

4. **There is an additional page to the contract that lists Attachment A, Attachment B and Attachment C. Please read the attachments because those are additional conditions of the contract. If you have any questions about the attachments please give Tracy or me a call as soon as possible.**

Two of the requirements of the contract are that you must submit a report of all activities and you must submit an invoice for \$45.00 times the total amount of hours worked by each officer for payment. Once the contracts have been approved by the office of The Attorney General, I will forward a copy of the OHRV Wheeled Vehicle Detail Data Entry form with instructions on how to complete the form. This information is very important because at the end of each year I need to submit a report of all Off Highway Recreational Vehicle Law Enforcement Activities to several Legislative Committees. The activity of your Agency will be part of this comprehensive report. Also all summonses go the Court that has jurisdiction over that town not to Fish and Game.

I also need to remind you that the State of New Hampshire does not have the authority to enter into Mutual Aid Agreements for the purpose of these contracts. Therefore your patrols are limited to the areas designated in the contract within your town unless you have a Mutual Aid Agreement with another Chief of Police specifically for the purpose of enforcing OHRV Wheeled Vehicle laws.

Thank you for your interest in this program and your assistance with providing OHRV enforcement. Please return these documents as soon as possible. The contracts are not valid until approved by the office of The Attorney General. Therefore as soon as the contracts are returned to me I can forward them to the Attorney General for approval.

Please do not hesitate to contact me at 603-271-3129 or john.wimsatt@wildlife.nh.gov if you have any questions concerning this process.

Sincerely,

Captain John B. Wimsatt
