Re: Tennessee Gas Pipeline Company, L.L.C., Docket No. CP16-21-000
Northeast Energy Direct Project

Dear Ms. Bose:

On November 20, 2015, Tennessee Gas Pipeline Company, L.L.C. ("Tennessee") filed with the Federal Energy Regulatory Commission ("Commission") a certificate application ("Application") in the above-referenced docket for the Northeast Energy Direct Project ("Project"). The Application remains pending before the Commission.

As a result of inadequate capacity commitments from prospective customers and a determination that the Project is uneconomic, Kinder Morgan, Inc., Tennessee's parent company, announced on April 20, 2016 that the company would suspend further work and expenditures on the Project. At this time, Tennessee is in the process of determining how best to proceed consistent with existing contracts. As a result, Tennessee respectfully requests that the Commission not take any further action in processing the Application, pending Tennessee submitting a status report to the Commission no later than May 26, 2016.

In accordance with the Commission's filing requirements, Tennessee is submitting this filing with the Commission's Secretary through the eFiling system, and is providing a copy of this filing copy of this filing to the Office of Energy Projects and to all parties on the official service list for this proceeding.

Respectfully submitted,

TENNESSEE GAS PIPELINE COMPANY, L.L.C.
