

## **Earth Day Roadside Clean Up Sunday, April 22nd 10:00-12:00 pm**

Public Works is joining Parks and Rec to help clean up Merrimack! Show your love for Merrimack by signing up to be part of our Earth Day Clean Up Celebration.

Interested people or groups should fill out the group interest form in the link found below. This form is geared towards the Parks in Town but if you fill out OTHER on the form and state your Adopt-A-Road location we will get you set up. If you know someone who is not a member of an Adopt-A-Road program already but wants to help out we have plenty of roads that need help so just let us know how many people are in your group and we'll assign you a road.

Groups should plan to meet at the Merrimack Town Hall (6 Baboosic Lake Rd.) at 9:45am on the morning of the event. Your group will check in with the Merrimack Public Works Department and then be assigned a road. Each group will be provided with trash bags, gloves and safety vests!

**This is a great way to give back to the Merrimack Community and celebrate Mother Nature on Earth Day!**

**Click Ctrl and the link below to register or go to the Merrimack Parks & Rec website to find the link. If you have questions or the link isn't working please call me at 423-8551.**
