

Aerial Patrols - Eversource's Entire Transmission System

Good afternoon Municipal Officials and Emergency Responders,

Eversource will be performing aerial patrols of its entire transmission right-of-way system beginning Monday, February 12th and continuing through Saturday, February 17th, assuming weather conditions permit this activity. The patrols are being performed with infrared cameras to identify any over-temperature equipment that needs attention.

Listed below are more details for your reference:

- **PURPOSE OF FLYOVER:** To identify any overheated equipment on the transmission system.
- **LOCATIONS:** Entire 115KV, 230KV and 345KV system.
- **DATES:** Monday, 2/12/18 through Saturday, 2/17/18.
- **DESCRIPTION OF AIRCRAFT:** Yellow and Blue Bell Jet Ranger, Tail# N445JB.
- **FLIGHT TIMES:** 7:30 a.m. – 4:00 p.m., weather permitting.
