To Whom It May Concern,

I am interested in being a member of the Merrimack Agricultural Commission and ask that you consider me for one of the current open seats. I am a lifelong resident of Merrimack and am looking to get more involved in the community. I am interested in helping to protecting Merrimack's agricultural land and working with others in the community to encourage other to grow their own food or raise their own animals.

I currently have a small herd of fainting goats and raise chickens. I have been a gardener for years and recently started using the Mittleider Gardening Method. I would love to share my knowledge with others and learn from them as well.

I respectfully request your support in being appointed to the Merrimack Agricultural Commission.

Thank you for your consideration.

Sincerely,

Hi Curtis,

I haven't heard back from you about continuing your membership on the Technology Committee. Would you like to? Please let me know either way so I can notify the Town Council.

Thank you,

Becky
