

Spring 2016

Hello Gardeners!

Thank you for your interest in the Merrimack Community Garden at Wasserman Park.

The enclosed brochure should answer any questions you may have concerning the garden. Also enclosed is the Gardener's Agreement, which outlines the rules of the garden.

Each garden plot is 10 ft. x 10 ft. The Garden Manager will be processing completed agreements weekly starting March 16, 2016. You will be informed of your acceptance in the garden via email. A \$10 donation for Merrimack residents (\$15.00 donation for non-residents) per plot, **payable to the Town of Merrimack**, will help to cover gardening expenses. Additional plots will be assigned after May 4, 2016 as space permits.

If you are still interested in joining the garden, please initial the Gardener's Agreement in the space indicated on paragraph #15 of the Agreement, sign the Agreement and mail it along with your donation to the following address:
