

2018 Transfer Station Stickers

The State of NH will be relocating the vehicle inspection stickers from the top center of the windshield to the lower left corner starting October 1, 2017. We are developing a new sticker to accommodate the change - the TS sticker will be located above the State inspection sticker as shown in the diagram below.

**TRANSFER STATION
STICKER (Actual Size)**

**1" between State
and TS Stickers**

**STATE INSPECTION
STICKER (Actual Size)**

**2" from edge
of windshield
to State
Sticker**

**2" from bottom of windshield to
State Sticker**
