New Business

1. Presentation by Brian McCarthy on his meeting with the Town Council.
2. Presentation by the Town's IT vendor on the Town's Microsoft Exchange problem. The vendor will explain in detail what has occurred and what he is recommending as a permanent solution. Following the presentation, we will have an open discussion, with the goal of making recommendations on how to proceed.
3. Presentation by Chuck Miller on a request from the Police Department and Fire Department to make a 'request for consideration' of a combined software package that they are looking at and would like the Technology Committee to consider.
4. Discussion of the Town's IT infrastructure as presented by Chuck Miller at the previous meeting, with the goal of formulating a list of concerns and recommendations.
